4 North Main Street
Corner of Mill and Main Streets - PA Route 6
Port Allegany, Pennsylvania

PORT ALLEGANY, PENNSYLVANIA

Located at foothills of the Appalachian Mountains and on the Allegheny River, natural beauty abounds offering year round recreational opportunities including seasonal events on the town square. The Serenity Glass Park (front) celebrates the town's glass-making history.

Lynn Hall was built in 1934 by local, self-taught architect Walter J. Hall. It is considered an early example of Organic Prairie Architecture and is listed on the National Historic Registry of Historic Places.
